

Interested in Starting a Charter School?

Join us for Charter 101

Tuesday, February 14, 2012

Benjamin Banneker Charter Academy of Technology

6401 Rockhill Road Kansas City, MO 64131

4:00 - 4:15: Registration

4:15 - 6:00: Program

This informational session is offered by the Missouri Charter Public School Association and includes:

- An overview of the process for developing a charter school
- Details about the Association's New School Development Support, including the Charter Start Program
- A panel of current charter school leaders

Come ask questions and gain knowledge into the local charter community and an overview of the process of developing a charter school

Register by email to dfinley@mocharterschools.org
