

# Interested in Starting a Charter School?

## Join us for Charter 101

Tuesday, March 6, 2012

Missouri Charter Public School Association Office

1804 Lafayette Ave St. Louis, MO 6304

**4:00 - 4:15: Registration**

**4:15 - 6:00: Program**

This informational session is offered by the Missouri Charter Public School Association and includes:

- An overview of the process for developing a charter school
- Details about the Association's New School Development Support, including the Charter Start Program
- A panel of current charter school leaders

Come ask questions and gain knowledge into the local charter community and an overview of the process of developing a charter school
