The Missouri Charter Public School Association’s (MCPSA) Excellence in Education Awards honor educators who are igniting curiosity and a love of learning in their students. Nominees are adapting educational models, developing innovative solutions and transforming today’s youth and tomorrow’s leaders. We invite you to partner with the MCPSA in recognizing these innovative professionals by becoming a sponsor of the 2020 St. Louis Excellence in Education Awards.

These competitive awards provide well-deserved recognition and a $10,000 prize to winners who are nominated by their peers and rigorously reviewed by an independent team of judges. To address our communities shortage of teachers and leaders, marketing around these awards raises the stature of teaching and promotes the appeal of becoming a professional educator.
